

## Policy Summary – Corporate Plans

This is a summary of the key features of your health plan. It does not include the full terms of the policy; these can be found in your Terms and Conditions booklet and on your policy schedule. Please read this summary in conjunction with your benefit table to see what benefits limitations and exclusions apply to your policy. This policy summary together with your benefit table, policy schedule and Terms and Conditions make up the policy between you, the policy holder and us.

This cover is provided by Medicash Health Benefits Limited, other than Personal Accident Cover (if included on your benefit table) which is underwritten by Chubb Insurance Company of Europe SE (Chubb). Medicash and Chubb are authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. This policy is governed by English law and the English courts shall have jurisdiction in any legal proceedings. All references to Sections relate to the relevant areas within your Terms and Conditions booklet.

### The cover your health plan offers

If you upgrade your cover from the level paid for by your employer your policy will be automatically renewed on a monthly basis provided that you continue to pay your premiums and comply with the Terms and Conditions of the plan. Employees have the right to cancel an upgrade option during the 30 day cooling off period from the date we accept your application to amend your level of cover. If you decide to change your mind during this period you should contact us on 0151 702 0203 and provided that you have not made a claim, we will refund all or the amended portion of the premiums that you or your employer have paid.

After the expiry of the cooling off period you can cancel your policy upgrade at any time, however you will not be entitled to a refund, except for any premiums paid beyond the date your cover ceased. Full details of how to cancel are included in Section 7.

### **Premiums**

Premiums include Insurance Premium Tax (IPT) at the current rate. Medicash reviews premiums periodically; however, if we do make changes, we will give you at least 28 days notice of this.
