Some health cash plans only pay a portion of your bill.

Medicash Active's fast claims payment reimburses the full cost of your treatment, as long as the amount falls within your plan's annual limits.

Children covered FREE

*Half of the annual limit can also be claimed towards dental care plan fees. Dependent children are covered if under the age of 16 or 19 if in full time education. We will pay up to a maximum of 30 nights inpatient stay in any three year consecutive benefit period where you have been hospitalised for the same condition. This will not affect your right to claim for inpatient stays related to other conditions. The quoted premium rates are the total cost for cover and are inclusive of Insurance Premium Tax (IPT) at the current rate. Should the rate of IPT change Medicash reserves the right to pass this on subject to prior notification. There are waiting periods for some benefits. Full terms and conditions are available on request. ^AThis call costs 5p per minute, plus your phone company's access charge.
