CHILDREN COVERED FOR FREE UP TO THEIR 24TH BIRTHDAY
Up to four dependent children can be covered at no extra cost, up to their 24th birthday if in full time education. Each child can claim half of the adult entitlement for those receipted benefits ticked above.

OPTIONAL EXTRAS | Employee Assistance Programme
£100 / £200 / £250 PMI Excess Cover

This plan is subject to Medicash's Terms and Conditions and should be read in conjunction with them. The benefit allowances shown above are the maximum amounts which can be claimed per benefit year by each adult covered under the policy. Claims are only eligible where treatment is provided by appropriately registered practitioners. * Virtual GP appointments can also be used for any children under 16 whom the policyholder has parental responsibility. Where the extra PMI Excess Cover is selected, children are covered at the same entitlement as adults for this benefit. Each child has their own individual entitlement and their claims do not affect any other individuals covered on the policy.
