

Grant Application Form

Medicash is the oldest and largest provider of corporate health cash plans in the UK today, however, one of the traditions that we remain most proud of is our commitment to charitable giving. Through the Medicash Foundation we make regular donations to health-related charities.

Please ensure that you complete this form in full and that all information in relation to your application is included. Any additional supporting information supplied will only be made available to the panel if requested by them once they have reviewed your application.
